Comments from our Patrons - Why is the Library Important to you?

Gateway Community College:

- Much needed resources for all my classes and especially need a quiet place to study. Love GWCC library staff.
- It’s one place where I can sit and study.
- This is the only place that I can study quietly.
- Easy access facility with resources and minimal distractions to complete the task at hand.
- Use of Reference materials and books that I would otherwise not have access to.
- Prefer to read a book than pull off the internet.
- I can find all the resources I need very easily as well as be in a comfy, quiet work zone.
- Reading is fundamental! The library staff at Gateway is the most helpful and professional staff of all the libraries I’ve ever been to. Kudos to them for being an integral part of the Gateway family.
- Quiet place to study and to borrow reference books that I need for a day or two.
- Librarians help me with my research and it is a great place to study in a quiet environment.
- Quiet is key and the resources both of which are found here. Heart this place.
- It’s a place where I can escape from my friends and actually do some work.
- Great for studying, forming little partner groups. Also promotes a relaxing surrounding for reading notes/work.
- It provides a quiet safe environment for me to do my work.
- Place to study quietly and to use computers. Librarians are helpful and friendly.
- Peace and quiet.
- The books are most important to me at a library.
- The library allows fellow classmates a place to gather.
- I can further my education in between classes.
- I love books.
- It provides a quiet place to study and also resources to help with research papers.
- Use of computers and a quiet study place.
- It’s a great resource and it helps me to get away from madness in my life.
- It is important to me because it’s the only place I can go and study and check out books.
- Libraries make available a collection of books and periodicals that I’ll never be able to afford to purchase myself. Libraries hold the knowledge and librarians help me to find it.
- Quiet study place and sometimes use of different books.
• Like to come and study- prevents distractions.
• It’s quiet.
• It’s important to me because it’s a quiet place. It has a lot of information resources such as computers and books.
• For all the above reasons quiet study place, research and computer use.
• Just to find a book or read a recent periodical the library meets my needs.
• The library is important to me because I get to complete all my assignments on time send important emails, take care of personal business on computers. Be well ahead of everything.
• I can work in peace and won’t get distracted.
• Quiet / peaceful.
• It helps me get my work done and allows me to get the resources that I need for a particular project.
• Because it’s quiet and they have good research materials.
• It’s important to me because I get most of my work done here than at home.
• Whenever I have an exam I come to the library to study and I get a good grade on my exams because it’s the best and quietest place to retain all that was lectured by the professor.
• It’s a quiet place for me to study.
• The college library is important because it gives me and my classmates a place for group study. My public library is important because it’s a great resource for my kids.
• It’s a great meeting place for group study and great resources available.
• It’s a quiet retreat with a huge range of staff and resources to satisfy the individual education needs.
• Libraries should be open 24-seven separate from the school area.
• Because the library is a plethora of vast of information.
• Opportunity to focus with no distractions when it’s quiet.
• It’s a place that I know I can study without a doubt. I also use it for computer access.
• Being at the library helps me focus - no distractions. It’s a great source to get hands-on information and computers. Also there are people to help and guide me.
• The library seems to be the only quiet place in GWCC to study and relax - that’s why I like it.
• The library is a good place to do research and has a lot of helpful sources student can use and it is a quiet place to get work done.
• The library is important because I’m able to focus and devote myself to my work here. If I run into problems my friends who live far away can help me here.
• Selection of children’s book are great. Hope you can get children audio books.
• The library has everything you need to do research including librarians who are friendly, courteous and knowledgeable, but most of all very, very helpful.
• Make time useful in-between classes- research, study, check out books.
• The library is important because you can do your homework.
• It is a crucial part of our campus community. The staff are always there to help with my need as a professor.
• Because I’m able to research homework in a quiet place in the same building as my professors.
